## FOREIGN CASUALTY/PACKAGE

**Our expert staff has global experience across a vast range of industries and can craft a unique program solution that works best for our insureds.**

### Foreign Casualty Team

**Jennifer Winters, Senior Vice President Underwriting**

Jennifer is an experienced insurance executive specializing in global casualty underwriting. Her career spans more than 18 years in national and global P&C capacities for major insurance companies in the multinational segment. Jennifer's strong understanding of domestic and foreign risks allows N2G to support multinational accounts with contract certainty.
